

For stores and catalogues
COMFORT VALUE™ HYBRID PLUS (CVHP)
 PART OF THE HYBRID SLING FAMILY

Combining soft-knit Polyester with Parasilk™ easy-slide fabric, the COMFORT VALUE™ Hybrid slings deliver exceptional user comfort with durability and superb performance.

FEATURES & BENEFITS

- Easy to fit and remove
- Parasilk™ fabric on leg sections and down vertebrae
 - Minimises shear and drag
 - Reduces tissue viability and pressure ulcer risks
- One piece fabric for additional user comfort
- Patent-pending Positioning Pockets for greater manoeuvrability and better moving and handling practice
- Modesty loop for increased user security
- Suitable for almost all conditions and disabilities
- Suitable for Amputees (above-knee: single or bilateral)
- Extensor straps fitted as standard
 - Aids user stability during hoist through “Suspension” feature that counterpoises extensor spasm
 - Simplifies attachment to the spreader bar
- Integral head support
