## COMFORT VALUE™ UNIVERSAL POLY SIX HIGHBACK (CVUPS-HB)

PART OF THE UNIVERSAL SLING FAMILY

*The 'Poly Six' variants in the COMFORT VALUE™ Universal sling family have two additional hip straps to help prevent the user abducting during hoisting. Highback variant provides integral head support.*

### FEATURES & BENEFITS

- Full body support with tapered leg sections
- Features double-sided Parasilk™ slide sheet material on leg pieces for ease of fitting
- Binding-free outside leg sections to reduce pressure behind the knee and reduce shear and drag during fitting
- Soft and comfortable being fashioned from a one-cut soft-knit Polyester fabric
- Secure integrated 3-loop straps at shoulder and leg
- Additional 2-loop hip strap reduces the risk of abduction of the hips when hoisting
- Double-stitched colour-contrast seams at vulnerable areas for added durability
- Easy to apply with straight leg and inside pick-up
- Aperture for user convenience when toileting or for access
- Can be hammocked for amputee use without need for specialist sling
- This Highback style has an integrated head support that can be folded down and used as a neck support.

Also available in non-highback
